

Here is the info to submit your data to the ARRL
Several members have already submitted their scores.

In the N3FJP Field Day software click
File>Write Cabrillo (Contest Submittal) Form

A dialog box will come up (see foto below)

Start at the top, follow the instructions exactly

It will take you to the ARRL online submittal page

When you enter the club name, as you start typing a drop down box
will present Dupage ARC.

If all data is correct, you will get a confirmation number. If there
is an error, you will be told what to fix.

Remember, these are YOUR scores. The Club scoring is nothing
official as far as FD standings go, just nice thing to see how clubs
do in this very unusual year.
