

W9DUP Weekly Net Preamble

*** (Net Control Operators NOTE: There are times when last minute changes are made to the preamble, so if possible, please download the net preamble for YOUR net on the DAY of the net. This will insure that you have the most up-to-date version.)

Good evening, this is DuPage Amateur Radio Club Station W9DUP, calling to order the weekly net. This net meets every Sunday evening, now starting at 8:30 PM on our 2-meter and 222 MHz repeaters. The purpose of this net is to pass traffic, conduct club business and relay news of interest to DARC Members and all other amateurs. Everyone is encouraged to check in and participate in this net.

Special announcement: as of December 1st 2024, the DARC Sunday night net will start at 8:30 pm.

This is a directed net. Please direct all comments and questions through the net control station. Your net control this evening is **{Your Call}**. My name is **{Your Name}** and I am located in **{Your QTH}**.

The net will consist of Check-Ins, Traffic, Swap-n-Shop, the *Amateur Radio Newslines Report*, and the *ARRL audio news*. Please limit items listed for Swap-n-Shop to amateur radio or computer related equipment. You may state an asking price, but please don't negotiate prices during the net. Please provide your telephone number and E-mail address so that interested parties may contact you directly.

As a courtesy for stations that check in to this net, if there is any problem with your readability through the DARC repeater, the net control operator will make an announcement directed at the station with the problem. ie: noise, hum, QSB, weak signal, too high or too low deviation, etc. With NO comment meaning your signal is fine.

When checking in, please key-up and call W9DUP. Then un-key and wait for the repeater's courtesy reset tone before transmitting. Then key up and give your call phonetically, name and QTH. Also indicate if you have traffic or Swap & Shop for the net.

----- Check-in Procedure -----

1. First I'll take check-ins from stations on short-time.... Short-Time Stations, Please Call W9DUP

++++++ *RECOGNIZE STATIONS WITH SHORT TIME TRAFFIC* ++++++

Finally, I'll take check ins from anywhere in the alphabet, Please call W9DUP.

***** (NET CONTROL, PASS TRAFFIC & SWAP & SHOP AT THIS TIME)

For anyone who checks into this net or who are listening, if you have VHF AM capabilities for 6 or 2 meter AM, please join us every Wednesday for the "VHF AM Enthusiasts Net". The net starts at 7:30 pm on 50.4 mhz and QSY's to 144.144 mhz at aprox 8:30 pm all in the AM mode. We are vertically polarized. This net is an informal rag chew net.

The club meetings are held at the "Church of the Holy Nativity" in Clarendon Hills. There is NO club meeting in December. The next club meeting will be Monday January 27th, 2025 at 7:30pm. At this time, masks are no longer required, but welcomed.

The next VE session will be at the January 27th 2025 club meeting. For more info, and to pre-register, contact Don / N9IZU at 630-964-6258 or n9izu@arrl.net.

DARC has several nets and all net info is on the DARC web site @ www.w9dup.org.

ANY amateur radio operator in good standing, wishing to act as net control operator for the Sunday night net, please contact Murray / W9EHQ for materials, scheduling or training if necessary.

The DuPage Amateur Radio Club operates 3 repeaters. The 2 meter repeater on 145.43 MHz with a 107.2 Hz PL, the 220 MHz repeater on 224.68 MHz with a 110.9 Hz PL, & the 440 MHz repeater on 442.55 MHz with a 114.8 Hz PL tone.

The DARC web site is www.w9dup.org . You can e-mail us at info@w9dup.org or send us a letter to DuPage Amateur Radio Club, P.O. Box 71, Clarendon Hills, IL 60514-0071.

----- **Close the Net** -----

Thank you for checking into the net. This is W9DUP, closing the net at _____ hours local time and returning the repeater to its normal standby mode. We hope to hear from you again next week at 8:30 PM, or during any of our other weekly net's. Good Evening and 73 to everyone who participated or who might be listening from **{your name and call sign}**.
